

Insulated Ratchet Cutter AHIR-HC

Cutting insulated overhead cables during live operations with the Insulated Ratchet Cutter ensures precision and safety as an essential hot line tool.

Features

1. An alloy steel blade for fast cutting and labor-saving operation
2. Insulated ratchet handle with a compact structure, easy to use

Parameters	AHIR-HC-20	AHIR-HC-24	AHIR-HC-30
Dimension	2 m	2.4 m	3 m
AC test voltage	45kV/1min	45kV/1min	45kV/1min
Operating voltage	20 kV	20 kV	20 kV
